Aim

The aim of the 2nd Western Europe Meeting is to continue with our vision that we established for every country during the “Rome Get-Together”. New people are warmly welcome to join, contribute and share the vision of Western Europe, being a testimony among lions and faithful even when thrown into the seven times heated oven. Daniel’s story will be our guideline.

Everyone shall leave with useful tools to continue as a Christian student or junior in the medical field.

We expect the participants to be active! Therefore, please be ready to share about yourself, your link to the national CMF group and **prepare questions you would like them to be discussed!**
