Why come to Eastbourne?

A bustling gem in the East Sussex crown, Eastbourne on the South Coast is blessed with an inviting town centre and an eye-catching seafront that stretches as far as the eye can see and backed by the beautiful Downs. The town is steeped in history while recent investments (and more regeneration on the way) gives the place a gleaming modern charm. As such, the ever-popular seaside town is rich in affordable housing options, top local amenities, and reliable transport connections.

- Great property prices
- Schools among the best in the South East, achieving outstanding results in examinations and inspections.
- Known as sunniest place in the UK with a stunning coastline and backed by the beautiful Downs
- Thriving arts and sporting venues
