

DAY

WHO IS MY NEIGHBOUR?

Exploring medical mission

Saturday 12 May 2018
St Luke's Crosby, 71 Liverpool Road, Great Crosby, Liverpool L23 5SE

CMF Global Day conference

Who is my neighbour in today's global world?

One day an expert in the Law asked Jesus this question – Who is my neighbour?

The way that Jesus answered the question answers a different question altogether – what sort of neighbour **should I be?** The Levite was a neighbour in a physical, literal sense – but it was the Samaritan who is known as 'good' because of how he responded to the blatant need he was faced with.

Who was the neighbour?

The one who had mercy, and Jesus said 'Go and do likewise'.

The course aims to help us:

1. Understand more of God's heart for God's world
2. Consider what it means to be a global citizen as healthcare workers
3. Consider how we can be a good neighbour to those in need
4. Further consider our own ongoing unique place within God's purposes
5. Find the next steps, or ideas for future service
6. Be inspired by the stories of others, and consider new possibilities

The day will include presentations, group work, learning from and listening to one another, and hopefully enjoying being together with people on the same journey of discovery.

The day will run from 10.00 for registration and coffee, and mission agencies will be present. Lunch will be provided and we will close by 16:45.
