

## GP PARTNER POSITION

The Mission Practice has been serving the people of the east end for the past 100+ years. We are a friendly and innovative team, passionate about excellent whole person healthcare. This is reflected in our MDT including a f/t social prescriber, a chaplain, a paramedic and a pharmacy team.

We are looking for a partner to join us in our work amongst a mixed demographic of 12,000 patients in our GMS practice in Bethnal Green, E2. We currently have 7 partners with a variety of different interests and backgrounds.

We would love to hear from you if you would like more details or to speak further.
