

Crawley, West Sussex

## **SALARIED GP**

A friendly, flexible, innovative and high achieving PMS practice. A very reasonable number of patients to see on a daily basis, but also very little administrative work due to a huge workflow redirection project which allows you to spend more time with patients. We are a teaching practice, based in a two modern locations. Working in a highly supportive and friendly team.

**Location** – Crawley – Town Centre and Maidenbower

### **The surgery –**

- Purpose-built modern surgeries across two sites
- Mixed demographics
- Forward-thinking practice
  - Reduction of GP paperwork
  - Support from Paramedics, Physician Associate, Practice Nurses and many trained administrative staff who reduce the paperwork to an absolute minimum
- GP Training practice
- High QOF-achieving
- Using System One Clinical system
- Looking to bring extra new services into the building, including secondary care
- CQC rated Good across the board
- Weekly clinical meetings and regular practice MDT meetings to share knowledge and provide support
- List size 17,500

### **Your role -**

- Will consider from 4 sessions to Full-Time
- To be a GP with good time-management and a personable nature
- Low numbers of home visits and minimal administrative duties
- Career progression encouraged

**CVs or informal enquires to Dr Ian Anderson, Senior Partner**
