PRAYING FOR CHRISTIAN HEALTHCARE WORKERS & COVID-19

1. **PRAY FOR TRUST IN THE LORD JESUS:** Pray that they step out each day in faith and not fear. Pray that they would call to mind God's sovereignty, steadfast love, and faithfulness and keep looking to Jesus Christ, the author and perfecter of their faith (Hebrews 12:2)

2. **PRAY FOR GOSPEL OPPORTUNITIES:** Pray for them to be the fragrance of Christ in healthcare at this time of crisis, to shine like stars in the sky as they hold firmly to the word of life (Philippians 2:15). Pray for boldness to make the most of the many opportunities to share the hope and love of Christ with patients and colleagues

3. **PRAY FOR JOY:** Pray for the joy of the Lord to be their strength (Nehemiah 8:10), especially when surrounded by sickness, death, anxiety, pain and despair

4. **PRAY FOR STRENGTH:** Pray that they would depend on the equipping and empowering of the Lord each day for the strength they need in caring for the sick, and for them to remember that the Lord's mercies are new every morning (Lamentations 3:22-23)

5. **PRAY FOR WISDOM:** Pray for Godly wisdom that Christ would be honoured when making hard decisions about caring for patients and allocating resources (Proverbs 2:1-5)

6. **PRAY FOR COMFORT:** Pray for those who feel isolated, lonely, or separated from their loved ones especially after long shifts; for their mental health – that they would find comfort in God's Word, seek help when needed, and be supported and encouraged by fellow Christians (Psalm 119:9-16)

7. **PRAY FOR PEACE:** Pray that every day as they care for the sick in this time of crisis, they would know the peace of the Lord which transcends all understanding to fill their hearts and minds in Christ Jesus (Philippians 4:7)
