Do you have a few weeks to six months available to work with CMF?  
Do you have have a long holiday and want to grow in your faith and make a difference?  
Here is an opportunity to get involved working flexibly on a specific project.

**“** *It's rare to feel genuinely useful on a work placement, but thanks to a great team at CMF, I felt just that. My experiences there were diverse, interesting and rewarding. I can't imagine many students can leave a placement saying they have practised emergency dentistry on a pig's head!* **”**

Alice, CMF Impact Volunteer, 2015

During your time you will be part of the CMF staff team and be able to access training resources.
